

# National Coronavirus Guidelines for Americans

15 days to slow the spread.

## Stay home if:

**You feel sick.**  
This applies to adults and children.

**Someone in your home tested positive for the coronavirus.**  
Keep the entire household home.

**You have a serious underlying health condition.**

**You are an older person.**

**You have the ability to work from home.**

Follow the directions of your state and local authorities.
